# A Message From Our ACC President

Dear Members,

Welcome to May at the Alliance Country Club, where excellence meets community! As the weather warms up, our club is buzzing with activity and excitement. We are thrilled to share all the wonderful happenings and updates with you.

Our social media presence is stronger than ever, thanks to Vivian's hard work. Follow us on Facebook, Instagram, and TikTok to stay updated with the latest news and events. If you need help getting connected, Vivian is here to assist you. And don't forget to check your emails for club updates—Vivian can help with that too!

We are excited to announce that our website is in the final stages of production! While our staff is in the midst of training, we look forward to our projected date of June 1st for the website to go live! It's sleek, user-friendly, and packed with all the information you need. We've also made it easier for you to share your feedback with us. Simply scan the QR codes on the tables to access our feedback form. Your suggestions, accolades, and opportunities for improvement are always welcome.

Thanks to Anna and the Membership Committee's marketing blitz, we're seeing an uptick in new members. Let's make them feel welcome and show them why ACC is the best place to be! Our Chef has outdone himself with the new spring menu and specials. Don't miss out on the delicious new cocktails for spring—perfect for sipping on the patio. If wine is your spirit of choice, you are in luck as Adam has revamped the list with new options. The club has also purchased a Coravin, that allows you enjoy high end wines by the glass without having to purchase the entire bottle. A nice addition to our beverage offerings!

Golf season is in full swing, and the first tournament is already in the books. The prestigious Men's Invitational tournament sold out in record time! Congratulations to all participants. The final push to complete the irrigation project and new cart paths begins this week and will be all buttoned up by June 1st. Great job by the grounds committee and Superintendent Chuck for navigating the weather this spring. Additionally, the Alliance Chamber of Commerce Business After Hours event was a huge success. Our club looked amazing, and we received rave reviews.

And here's a splash of good news: the pool will be ready just in time for Memorial Day weekend! So, dust off those swimsuits and get ready to dive into summer fun.

We are thrilled to announce that the UMU Women's Golf Team has just clinched the 2025 OAC Championship and is now heading to the NCAA National Championship from May 13th-16th! If you see them practicing at our club, be sure to wish them well. ACC has been their training ground this spring, and we couldn't be prouder of their achievements. Let's cheer them on as they aim for national glory!

As we embrace this vibrant season, let's remember the power of gratitude, making this month unforgettable. See you at the club!

President, Alliance Country Club

# General Manager's Update

We're starting to see the weather turn and the anticipated time of year is close! Each department has started nailing down details prior to the reopening of our different areas. If something is not in the newsletter you were hoping to find, it is surely coming very soon, and we will mass communicate these details.

The irrigation project is coming along nicely and is scheduled to be done soon. Our Golf Course Superintendent will be sending a nice recap email to get everyone up to speed on the progress. I again thank you for your patience especially with our website as we are significantly making an upgrade that will offer easier access and better services to our membership.

This time of year we start to pick up on banquets, events, and dining. It is very important to plan ahead, make reservations, tee times and watch for our communications as we keep the membership posted on availability due any changes during events.

One of these events, was our special Alliance Chamber "Business After Hours". It was hosted here at the club on Thursday, April 24th as we were able to showcase our facilities, provide networking opportunities, and provide the opportunity to welcome potential members to enjoy ACC. This leads to our most important item at this point of the season. New members. If you have anyone with interest in joining please have them reach out to Anna for further information!

Other ways you can help the club is to provide feedback and follow our social media pages. Please do not hesitate to use the QR codes provided in the dining room. This gives us the tools and information to give you first class experiences while at the club.

It is with deep sadness that we share the news of the passing of one of our own, Mr. Ronald Kron. Mr. Kron was deeply involved throughout his 47 years of membership at the ACC. His wife, Mary, remains a member and an active part of the ACC community. We extend our most heartfelt condolences to her and their family.

We appreciate your continued support of the club and are so excited to get the season underway!

Troy Grove - CEO

# Welcome

## Mr. Tim Warner

Mr. Warner graduated from Carrollton High School and The Ohio State University. He currently resides in Carrollton with his wife, Joy. His son, Gabe, graduated from the University of Mount Union in December. Tim owns Warner Home Comfort LLC in Carrollton, which includes a plumbing retail store, plumbing services, and HVAC services. He enjoys golfing, traveling, and spending time with family and friends.

## Mr. Alec Economous

Mr. Economous grew up in Salem, Ohio, where he graduated from Salem High School. He attended Kent State University and earned a bachelor's degree in business administration. After college, he began working at Farmers National Bank as a credit analyst for two years. He currently works at Main Street Bank as the Director of Credit Administration (Credit Manager), with his office based in Canfield. If anyone needs a loan (commercial or residential) or has any banking questions, he welcomes you to reach out at (330-853-1998).

His main hobbies include golfing, lifting weights, hunting, and traveling. He is not married and does not have any children, but he has been in a relationship for nine months. He has been golfing at the club since his parents, Barb and Dean Economous, joined in 2014 and has enjoyed every minute spent there. He is excited to have joined as a new member and looks forward to meeting other members.

# Alliance Country Club Patio Project

## Order Here

Dear Members,

We are excited to announce the new patio project at the Alliance Country Club. This is more than just a renovation - it's a chance to leave your mark on our beloved club and contribute to its rich history.

By purchasing an engraved paver, you can commemorate your family, celebrate a special occasion, or honor a loved one. You can also choose to memorialize a past member, creating a lasting tribute to their contribution to our community. These pavers will form the foundation of our new patio, creating a mosaic of memories and stories from our members.

Your contribution will not only enhance the beauty of our club but also strengthen the sense of community. Each engraved paver will serve as a lasting testament to our shared love for this club and the many wonderful moments we've experienced here.

Don't miss this unique opportunity to become a permanent part of Alliance Country Club's legacy. Let's pave the way to our future together!

Thank you for your continued support.

A vibrant, tropical-themed poster for a pool opening day. The background is a bright blue pool with shimmering water ripples. The word "POOL" is written in large, 3D gold balloons. Below it, "Opening Day" is in a pink script font. The date and time, "Saturday, May 24th" and "11am to 8pm", are in black and yellow fonts. The phrase "Hope To See You There" is in a black script font. The poster is decorated with various tropical elements: pink watermelon-shaped inflatable rings with blue and green patterns, yellow and white plumeria flowers, large green monstera leaves, a pink flamingo, a pink patio umbrella, and a coconut with a red straw. The overall mood is festive and summery.
